

A GOOD PLACE TO EAT

Le Menestrel in Saujon is owned and run by David Menestrel and has attracted a great deal of attention in the past couple of years following excellent reviews in the French media. The interior is stylish but not intimidating and the food excellent.

Menestrel – also the chef – creates beautiful dishes that taste as good as they look and uses fresh local ingredients in his ever changing menu. This restaurant delivers the winning combination of great food, good service, reasonable prices, warm ambience and enough little extra touches to make it a regular favourite.
